=====

WHEREAS, Lodi Municipal Code, Section 3.20.070, authorizes dispensing with bids for purchases of supplies, services or equipment when it is in the best interests of the City to do so; and

WHEREAS, the tractor used for the maintenance of the sport fields and other facilities has gone down and will cost approximately \$13,000 to repair; and

WHEREAS, a used tractor has been found and can be obtained at a cost of \$36,000 in comparison to the cost of a new tractor at approximately \$42,000; and

WHEREAS, it is the recommendation of staff to purchase the used tractor at the lower cost of \$36,000, so that critical work can proceed on the fields as soon as the weather permits; and
